DR. BOIDO FOR SANE LAWS—Adv.

ARIZONIAN HAS A NOVEL SCHEME TO SECURE A SPOUSE

Governor Hunt received a letter yesterday that was almost dunning. It practically took him off his feet, and set him to thinking more seriously than at any time previously in his campaign. It has to do with a very important subject, that of matrimony.

The letter was from a woman, or possibly a girl, she failed to state which, giving her initials and address, but not her name, who lives in Washington, D. C. She is looking for information and incidentally a husband. The letter enclosed a clipping from the Washington Evening Star of August 3 which stated that the third assistant postmaster general had received an application from an Arizona man to aid him in raffling himself off to one of 2500 women. His proposition is to sell tickets on himself at \$1.00 per shot. A drawing is then to take place, and the lucky woman can have him and the \$2500 to start life with.

The unknown who is so anxious to get married, states that his reason for making this novel manner of getting married is on account of the shortage of women in Arizona. The available supply has dropped to such an extent, he states that it is almost impossible to get a bride, unless unmercifully rich, or good looking beyond the dreams of avarice.

The woman who writes to Governor Hunt states that she is anxious to get into communication with the gentleman who is so anxious to take the fatal step, but does not know his address or name. She thought that perhaps the governor, with his wide acquaintance, might know the guilty person.

The governor was very sorry to acknowledge to her that he did not know who the matrimonially inclined person was, but informed her that he would continue the search, and do everything in his power to alleviate her single condition.

One tiny drop of oil has saved many a watch from ruin. It was put where it was needed, when it was needed and it was the right kind of oil. Hoge & Co. are specialists in this kind of work.

WILLIAMS IN TOWN—Ally Williams

of the International Harvester company of America was a business visitor in Phoenix yesterday. Mr. Williams has his headquarters in San Francisco and says the Phoenix weather surely beats that of San Francisco.

MOTHER JONES LEAVES—Mother Jones

the aged worker in behalf of organized labor who addressed a large audience in front of the city hall Monday night, left Phoenix last night for Prescott, where she will stop a few days and rest up. The heat in Phoenix was a little too strenuous for one of her age. It is not known whether or not she will speak in Prescott.

KENNEL SHOW PRIZE LISTS ARE MADE UP

Several thousand prize lists for the Arizona Kennel Club's initial show to be held in connection with the Arizona State fair, this November, have been completed and mailed by the club secretary and kennel club president, M. Joe Murphy.

Further placed at the disposal of the public a number of prize lists, and for convenience left a goodly number at the Chamber of Commerce and with the secretary of the fair commission. T. D. Shaughnessy.

These books are put up ready for the mail, and contain entry blanks and instructions from the Arizona Kennel Club, for those contemplating an exhibit.

It is to be hoped that early entries can be obtained in order to get the catalogue well under way immediately after all entries are in, as the last day to make entries for the kennel department is November 2 at midnight.

It is to be hoped that the listing fee will not be misconstrued. This fee goes to the American Kennel Club and is in addition to the entry fee of \$1.00, it is charged for unregistered dogs, and is fully explained in the rules.

It has been further decided by both the fair commission and the kennel club, not to charge any admission, as was first contemplated. Therefore those exhibiting dogs who wish to take advantage of exhibitors tickets for the week, can do so. They can obtain these books for a small cost by applying to the secretary of the fair, Mr. Shaughnessy. Elegant window cards advertising the dog show from November 14 to 17 have been received and are being placed as rapidly as possible. The list of silver cups to date numbers eighteen, or ninety-five prizes in all for this department.

Secretary M. Joe Murphy, will be pleased to answer any inquiries concerning the kennel department or send out any number of prize lists to those desiring same, in any part of the state. The mailing list for the kennel club and books covers the state of Colorado, California, New Mexico, Texas, Missouri, Washington, Kansas, Illinois and Indiana, as well as various cities in Canada. All prizes with the exception of merchandise have been collected and will soon be placed on display. For any further particulars regarding the A. K. C. show, address M. Joe Murphy, secretary, P. O. Box 622, Phoenix, Arizona.
